Cook Time: 3min

Ingredients

White chocolate sauce

- 100g white chocolate, finely chopped
- 15ml (1 tbsp) fresh cream
- 100g frozen raspberries + extra, to decorate
- 500ml (2 cups) good-quality vanilla ice cream, softened
- milk (optional)
- whipped cream, to top

Directions

1. Place the white chocolate in a microwave-proof bowl with the fresh cream. Microwave on medium, stirring occasionally, 2 – 3 minutes or until the chocolate is melted and smooth. Allow to cool slightly.
2. Place the raspberries, ice cream and white chocolate sauce in a blender and blitz until smooth. Add a splash of milk if you would like the milkshake to be thinner. Pour into 2 milkshake glasses and top with whipped cream and raspberries.
